

Gorham Times

2026 Deadlines and Publication Dates

Reserve Your Ad Space

To reserve your ad space, send your camera-ready ad or ad inquiry to gorhamtimes@gmail.com. Ad space must be reserved prior to the deadline date. All ads are due on Wednesday of deadline week. Camera-ready ads must be sent as high-quality PDFs or JPEGs and must be sized correctly. Basic ad design and [two proofs] are included in the price of the ad.

Guaranteed placement is available on a first-come, first-serve basis at an additional 15% charge. Request a quote for custom sizes.

Payment is due upon publication. An invoice will be sent. Cash, checks, and MasterCard/Visa accepted. Prepayment is required for new advertisers, political advertisements, advertisers with overdue balances, classified ads, and online ads.

About Us

The Gorham Times is a 501(c)(3) nonprofit corporation, funded entirely by advertising revenue, subscriptions, and contributions. The August 1995 start-up was supported by generous donations from many Gorham residents, business people, and advertisers. The foremost goal of the Gorham Times is to "Bring the news to all of Gorham."

The staff and board of directors are dedicated to providing quality Gorham-related news coverage and exceptional customer service to its advertisers and readers. The Gorham Times is published every other Thursday. It reflects the many components of our town with news stories and feature articles about local government, schools, organizations, and people. It does not take an editorial stance but does encourage the airing of different viewpoints by providing a forum for fair-minded discussion.

Winter Break	Winter Break
1/6/2027	1/14/2027

Inserts: \$210 for a single 8.5x11 insert, plus the cost of paper, printing, and cutting if needed. In partnership with Maine Document Solutions, Gorham Times will print and deliver 4,900 copies of the insert to Maine Trust for Local News, 295 Gannett Drive, South Portland, ME 04106. MTLN will do the rest. Inserts must be scheduled with the Gorham Times Advertising Coordinator at least two weeks prior to publication date.

A lot of times static is caused by atmospheric conditions. When it is really dry, the problem is exacerbated. Therefore, there are several options to consider that will affect the price. Contact us for a detailed quote to best meet your needs.
